Principal's Pad – Our PTSA (Parent Teacher Student Association) has organized a fundraiser for our school and yesterday we kicked it off in the morning assembly. While we would love it if every student participates, it is not mandatory. Also, we encouraged our students to talk to people they know and not go door to door for safety reasons. The money we've raised through last year's fundraiser has allowed the PTSA to support swimming lessons, field trips, and other activities for our students that we wouldn't have been able to otherwise fund. Thanks to our PTSA and all the families who are willing to help us with this project.

We had a fire drill yesterday and we closed gates in the hallways to simulate a real situation where some exits may be blocked off. Our staff and students did very well with the drill and we had everyone out of the building in 2 minutes 33 seconds. We will practice a lock-down drill in the next week or two. Thanks for all you do and I hope you all have a great weekend!

Respectfully,

Dale Inskip
