October 25, 2012

Principal's Pad – I can count on my fingers how many sick days I've used in the last 22 years and I was gone most of last week sick. I wanted to thank our great staff for helping and filling in and the parents and students for their patience with me being gone. Getting sick like that sure makes me realize how important my health is and to not take that for granted. I'm glad to be back to 100% and to be back at school.

The last few weeks our behavior as a whole school has been slipping a bit. We've had pretty poor behavior in the hallways, cafeteria, morning assemblies, etc. I've been more strict and picky about how we're doing things this past week and we all will continue to teach the expectations and provide more guidance in the next week or two so we can help get back to a more independent level for our students. We're dismissing differently in the morning assembly, teachers are walking students down to lunch, and overall we are increasing the adult presence to help make things better. I've talked a lot to our students about having self-respect and with that to practice care and consideration for others. If you have a chance to talk with your children about these expectations, it would be greatly appreciated. Please know that I always try and recognize all the students who are doing the right things regularly and how much I appreciate their actions and how they are role models for others.

Next Monday is our regularly scheduled site council meeting at 3:30 in our library. Among other agenda items, we will solidify our school improvement/title one goals for this school year. Please feel welcome to attend. Thanks again for your support and I hope you all have a great weekend!

Go Giants!

Dale Inskip

OCTOBER
