April 4, 2013

**Principal's Pad** – Yesterday we had a nice treat with our 7<sup>th</sup> grade band members performing a piece in our morning assembly in the gym. While we have formal concerts this was organized by a few of the 7<sup>th</sup> graders who wanted to perform. The students talked with me a couple weeks ago and we planned a date. Yesterday they set up their music, stands, chairs and instruments and did a great job sharing their selected piece with our student body. I get excited when students take initiative and demonstrate leadership and this was a great example. Great job 7<sup>th</sup> grade band!

We will continue working through our OAKS testing with our 5<sup>th</sup> graders starting next week. The 5<sup>th</sup> graders had a nice week of swimming this week. Thank you again to our PTSA for the support to make swimming possible for our students. I hope you all had a nice spring break and enjoyed the great weather.

Thanks for all you do...

Have a great weekend!

Dale Inskeep

## City of Coos Bay Library

Around the Library in 80 Days

Coos Bay Public Library's Independent Reading Program for students in Preschool-12<sup>th</sup> Grade, ***Around the Library in 80 Days*** will begin on March 8 and continue through May 24. This program is so popular with students of all ages because it brings together the excitement of reading and the chance to **win really great prizes.**

Students keep track of their reading and/or listening over 80 days on a special form available both in District 9 school libraries as well as Coos Bay Public Library. Everyone wins small prizes after reading 400, 800, 1200 and 1600 pages or minutes (keep track of whichever you wish). Everyone who finishes 1,600 – an average of only 20 pages/minutes a day – receives a paperback book and a chance to win one of the larger prizes donated by Bay Area businesses and organizations. Students may enter more than once.

The larger prizes will be displayed at the library as they are received. Check often to see which prize you would really like to win. A prize drawing for these prizes will take place in the children's department at the library at 3:30pm on Friday, May 24. Students need not be present to win. All students who complete the program will be invited to attend. Participants may select a paperback book of their choice at that time also, or if unable to attend may pick out a book at the library's children's department.

The Friends of the Coos Bay Library sponsor this and other library programs. For more information, visit the library at 525 Anderson Ave. or call 541-269-1101.
