**Principal's Pad** – As we close out this school year I'd like to again thank our staff who are so dedicated, have our students' best interest in everything that they do, and make coming to work a pleasure every day. During the summer I will be working through June and during August so if you have questions or would like to visit please feel free to stop on by or give me a call. While I will not always be in the building with a lot of work taking place at the district office I will be at Sunset regularly and I'm always happy to visit.

We had a nice turnout for our incoming 4<sup>th</sup> graders orientation night and our 7<sup>th</sup> grade Sunset Managers did a fantastic job of welcoming our new 4<sup>th</sup> graders from Madison and Blossom Gulch, leading them on tours around the school and answering questions our new students may have had. Thank you Sunset Managers!

Last week I wrote about our new teachers we've hired for 4<sup>th</sup> and 6<sup>th</sup> grade and I'd like to give you more specifics about them.

Our new 4th grade teacher is **Nicholas (Nick) Krissie**. He was in the Air Force, then a fire fighter and was always encouraged to become a teacher. He went back to school and has been long-term subbing in the same school he did his student teaching. All of his references were fantastic and we all really enjoyed the time we had with him last week. He and his wife came to Coos Bay last weekend to visit the area and he accepted the position. I'm excited to welcome him to our 4th grade team!

Our new 6th grade teacher is **Katie Adams**. Katie is one of those natural teachers. She and her husband lived on the northern coast of Oregon and they have been living in Lebanon while Katie has been working as a long term sub at the school where she did her student teaching. Katie had fantastic references, speaks fluent Spanish, has her ESOL endorsement, has experience in Title One schools and working with PLC's to improve student learning. She will be a great addition to our 6th grade team and our school!

Have a great weekend!
