Principal's Pad –

It was really nice to see the great turnout on Tuesday night for our Open House. It is one of my favorite evenings of the school year. I really enjoy having the opportunity to visit with our Sunset families and getting to know everyone. Thanks for coming!

October 9th, we will have a program at our school called Rachel's Challenge. Our assembly will be at 11:30 that morning and parents are invited to come and watch. The assembly is for our 6th and 7th grade students and our 4th and 5th grade teachers will be doing some activities around the same theme. Rachel was a student who committed suicide and a lot of the challenges she had were due to bullying and not being accepted at school. While bullying and how we should treat each other is something I talk about regularly in our morning assemblies, sometimes hearing things in a different way from guests can be very powerful. Rachel's Challenge presents all over the United States and we're very fortunate to be able to have this program shared with us. If you have any questions about this program, please don't hesitate to stop by or give me a call. One student being depressed or feeling hurt because of how they are treated at school is too many. This is something that we will always be working on to improve, no matter how well we are doing.

Have a great weekend,

Dale Inskip
