Join us on January 8th from 6:00 – 7:30 PM at the Milner Crest Educational Center, 1255 Hemlock Ave, above Mingus Park, as we dive into inductive math games that capitalize on our students' intuitive abilities. We will be playing NIM and other math games, all of which require only a few items that can be found around your home. These games will require identifying patterns within small details to form big ideas. There will be mathematical fun for everyone! Child care is available for children under 5. Students in grades 1-12 will be joining us at the math table. Everyone is welcome. For more information, please e-mail Theresa Hart at there-sah@coos-bay.k12.or.us or call 541-267-1318.
