March 14, 2014

Principal's Pad – It was great to see so many of our families at Family Night last night. Our staff, students, teachers, PTSA, food services company Sodexo, and families all came together to make for a really nice event. I always enjoy watching our students with their families working together and enjoying themselves at our school. Thanks for coming and help making last night fabulous! Also, I'd like to thank **Rose Stinson** for her leadership, organization, and tireless work in heading up last night's events. I get reminded every day how lucky I am to come to school every day and work with such incredible people. We used our Title One parent involvement grant to pay for most everything last night.

Hopefully some of you will be able to catch some of the music this weekend at the Clambake Jazz Festival. We were fortunate enough to be able to have the band, **High Street**, from Idaho perform for all of Madison and Sunset schools. I really enjoyed having our neighbors from Madison come over and enjoy the concert with us. Our staff and a few highlighted students showed off their incredible dance moves and I was able to sit in again this year with the band, this time playing my 1966 Fender electric mandolin. There are a lot of folks in our community who support this opportunity for our schools and I want to send a big thank you to all of them!

Have a great weekend!

Dale Inskeep, Principal
