## Principal's Pad –

It's been a great first week of school. I apologize for the error we had in our calling system earlier this week and appreciate the understanding of all the parents who called in. It seems that it is all fixed up and working well. Our students have been learning new routines and learning them well. I've had several conversations with other staff about how kind our students have been toward one another. That is so important to be the kind of school we want to be. We've moved through the lunch line a little quicker each day and I believe by the end of next week we'll have it down well and gain more time for physical activity and fresh air during recess.

Our counselor, Mrs. Cyris, has been meeting with all of our students who are new to our school. It is quite a large list of students in each grade level who are new to Sunset and Coos Bay. It's exciting to meet new families and to have all of you a part of our Sunset Family.

It's forecasted to be sunny and warm this weekend. I hope you have an opportunity to enjoy the great weather with your family. Thanks again for your part in a great start to this school year.
