**Principal's Pad** – As I turned 47 years old yesterday it occurred to me that for most of my life I thought 47 years old was VERY old! Now that I'm 47 I have a very different perspective of my age. I'm blessed to have a great family. My wife, Dayna is a great 2<sup>nd</sup> grade teacher at Blossom Gulch. My daughter, Kelsey is doing well as a sophomore at OSU. And, my son, Zach is doing well as a sophomore in high school with his grades and his baseball. I am able to get in the water and surf pretty regularly which I've done since I was a young kid and I get to play my original music with my band at least weekly and have been writing songs and playing a variety of instruments for most of my life. And, I work in a career that has always been in my heart and I'm able to come to a great school with great people and work with our students every day.

Why am I talking about all this? I want to be able to help every one of our students 'Dream Big' and work to achieve their goals and dreams for a great life. By valuing education, pursuing interests and hobbies and working hard and wanting to be the best that you can be in everything you do, amazing things can and will happen. While not everything we work on in school will be fun or someone's favorite, all parts of what we do in school will help us get through challenges in life and reach our dreams and goals.

I had so many students wish me happy birthday yesterday, smile and give me a high five before they went home, I was thankful that I am able to do what I do and still feel like I'm a kid myself in so many ways. Smile a lot and help your children believe in themselves and Dream Big,

Enjoy your weekend,

Dale Inskeep

# EXTREME SCHOOL MAKEOVER!

## Madison & Sunset Campuses

The Bay Area business community coming together for school enhancement

October 12th w 9:00 a.m.

NW Natural BBQ at Noon

Please join the Chamber Education Committee, October 12th for our inaugural Extreme School Makeover event from 9am to noon. The Madison School & Sunset School makeover plans include painting in and around the "Thunderdome" covered play area, and helping the schools catch up on their yard work (including lots of weeding). Please bring weed eaters, shovels, hand tools, painting equipment (rollers), and your co-workers. A BBQ provided by NW Natural Gas will follow the event.

This event is part of the Chamber of Commerce's effort to embrace and support our local schools. Our area's education systems are an integral part of our community and with our support they can be major assets for rebuilding our economy. Please come on out and show your support for our schools.
