Principal's Pad – Thank you to all of our veterans and thank you to all who came to our Veteran's Day Assembly this morning. We do the Pledge of Allegiance every morning to start our day at school, but there is something special about saying it together as our local Coast Guard presents the colors and our gym is full of veterans as guests to let them all know that we appreciate and honor them. I am also proud to have our own Mr. Krissie as our veteran guest speaker in our assembly today. Thank you Mr. Krissie! Have a great Veteran's Day!

I'd like to thank our PTSA and **Wal-Mart** for the work they've done to provide 5 new digital cameras and SD cards for our Yearbook Club that Mrs. Rossback is heading up. Our PTSA has been consistently looking at ways to support our students, staff and school. One of our members talked with Wal-Mart and Mrs. Rossback wrote a letter then was able to stop by Wal-Mart and pick up the cameras as donations to support the technology needed to create a Sunset Yearbook. I very much appreciate Mrs. Rossback for her efforts and time as she leads the plan to create a yearbook that is mostly planned and put together by our students and to make sure that every one of our students is able to get one at the end of the year. It is really great to see our PTSA and our community support the work we are doing in our schools. Thank you very much.

Enjoy your holiday weekend,

Dale Inskeep, principal

TAG Technology in the 21st Century Family Night

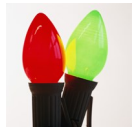

Schools today are making the transition to 21st century learning. The classroom has become a global learning community as new technologies connect learners to students and experts around the world. Come and join us for a look at 21st Century Learning and the way technology is being used to open new horizons. Join us November 13, 2013 6:00-7:30 at Milner Crest Education Center, 1255 Hemlock, which is above Mingus Park off 10th St., for everything you need to know about Technology in the 21st Century.
