

## Site Council Meeting 6-12-2017

### Agenda:

1. Share Surveys
2. Indistar Log-In (School Improvement Plan)
3. Summer Work Schedule/Updates
4. Good of the Order

Present: Jenn Winston (for Shirley Tremel)  
Linda Brown  
Shaun Liggett  
Ryan Liggett  
Shelly McKnight  
Laura Means

Absent: Liza Holland  
Shirley Tremel  
Brian Hutchins

### Minutes:

Team members looked at the student and staff survey results and discussed. We had previously analyzed our parent survey results. We discussed common themes among all three, and discussed areas to focus on as we set goals for the coming year.

We had a brief discussion about where we are with our School Improvement Plan/Indistar. Laura and Shelly will be spending time this summer working on it, and will keep site council updated. At last week's staff meeting, teachers were also invited to look at the plan, as well as to provide feedback. Log-In information was shared with both staff and site council for this purpose.

Laura, Jenn, and Shelly shared about our Parent Planning Meeting held last Friday. Plans are being made to make some cosmetic changes to our play area, and we are building a network of parents as partners in the process. These projects are set to begin over the summer. Coos Art Museum is also part of the project, as we plan to incorporate student murals with their guidance. Incoming Madison families are going to be included in the projects.

Thank you to everyone who has served on Site Council this year. We will be filling several positions next year, as many of our site council members are leaving.
