Hello Sunset Families!

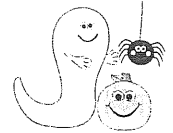

It's October! And with it comes Red Ribbon Week and Halloween. We are enjoying dressing up for Red Ribbon Week spirit and while Halloween can also be a great time to dress up at school, we will not be allowing students to come in costume on October 31st. I know that this will disappoint some students, but in talking with the staff we have decided that Monday, October 31 will be a "Crazy Hair/Crazy Hat" day. This will allow many of our students who would really like to be able to wear hats to school do so and those who don't want to wear a hat, but want to express themselves in a fun and creative way that is usually common on Halloween do so with their hair. I personally love Halloween, but I understand that it isn't for everyone so I look forward to a spirited day with the students wearing their favorite hats or with some crazy hair styles!

I would like to again invite parents to volunteer here at Sunset. School Site Council, PTA/Boosters and Lego League are all areas where we really need parental involvement. If you have an interest in working with us to improve your child's experience, please give us a call at 541-888-1242 and ask how you can sign up.

With appreciation,

Shelly the Shark" McKnight, Principal

RED RIBBON WEEK ACTIVITIES

Next week is Red Ribbon Week which is the oldest and largest drug prevention program in the nation. This year's theme is "Y.O.L.O. BE DRUG FREE YOU ONLY LIVE ONCE" and we are doing many activities at Sunset this year to get the message to the students. I have been in every classroom sharing information with them. There is more information in this newsletter about it including a chart with the themes for Dress Up Day.

Here is how you can be involved. Students will be given an opportunity to sign the pledge below and make a commitment to "Say No to Drugs and Alcohol." Please discuss the pledge and what it means with your child. Ask them what the most important thing is that they learned about why they should say no to drugs and alcohol. Ask them why they signed the pledge and what that means to them. Share your thoughts, feelings and stories with them. This is an opportune time to have a serious discussion about drugs and alcohol.

Come by the school to see the door decorations, and the signed pledges and know that the whole staff will be supporting the message all week.

Mrs. Cyris, Counselor
